

Dear Homeowner;

Please take the time to update the information requested on this form. Since homeowner warranties expire and are not always renewed and service people frequently change, it is very important that we have current information so that we may contact the correct maintenance person in the event that there is a problem requiring immediate attention in your home. We have also noticed a need for the Cable/Telephone/Internet account numbers so we can troubleshoot any problem without contacting you for the information.

If you have any questions, or if you would like for us to recommend service people, please give us a call at 800-388-1926. Please fax back to 760-777-4883 or email back to resortleasing@laquintaresort.com
